April Fools! KFJC certainly got an awful lot of phone calls about our programming on Sunday, April first. In fact, the phone was still ringing on Monday, April second in regards to our "new format". Well, it was just a prank, but don't think that it couldn't happen at KFJC. Radio continues to be a fast changing medium. Remember when alternative radio was not just limited to the non-commercial band?

Thanks for all your letters regarding the FCC's inquiry into the possibility of a 24 hour ban on material that could be perceived as indecent. It's good to know how deep your concern for free radio goes. KFJC will keep you up to date with any new developments.

KFJC is currently gearing up for the Month of Mayhem. Be prepared for an exciting month of special programming. To kick off the month, KFJC will be throwing a huge bash to celebrate our 30th Anniversary (Yes, it's true; KFJC can no longer be trusted) and you are invited! Saturday, May fifth, at 9pm till 1 am, the Cherry Bowl in Sunnyvale will be ours - Free Bowling (including shoes) all night long, music, dancing, cake, plus much more! Call the KFJC business line for details and invitations. (415-949-7099) As a Mayhem rap up, we have scheduled another KFJC Record Swap for Sunday, June third, from 9 am to 4 pm, in the Foothill College Cafeteria. There will be a \$2.00 donation at the door - come early for best selection!

Speaking of donations, KFJC is largely reliant upon listener donations. Please, if the IRS was good to you, keep us in mind. Donations, along with your letters regarding our programming are most welcome, and can be sent to;
